Jacuzzi – Safety

To ensure the safe and enjoyable use of the Jacuzzi we request that you read through and adhere to the rules of this safety document.

Recent incidents have connected hot tubs with Legionnaire's Disease, which is caused by legionella, a newly identified bacterium, borne in water droplets and which can cause illness if inhaled.

We (Barons Court Caravan Park) have to operate the Jacuzzi under the regulations set out in Management of Spa Pools (Controlling the Risks of Infection) issued by the Health Protection Agency.

General

People with heart disease, diabetes, low or high blood pressure, or any serious illness should not enter the Jacuzzi without prior consultation with their doctor.

Pregnant women are advised to consult with their doctor before using the Jacuzzi.

People with skin, ear, genital or other body infections, open sores, or wounds should not use the Jacuzzi because of the possibility of spreading infection.

No incontinent person may use the Jacuzzi, either with or without a waterproof nappy.

No children under the age of 4 are allowed in the Jacuzzi.

Never allow children in the Jacuzzi unsupervised. A responsible adult has to be present at all times in the Jacuzzi room.

Never use the Jacuzzi alone.

Avoid using the Jacuzzi immediately after a heavy meal.

Avoid entering the Jacuzzi immediately after exercising as the water temperature can affect the heart rate.

It is recommended that you do not exceed 20 minutes in the Jacuzzi.

Dogs are not allowed in the Toilet, Shower and Jacuzzi block.

Using the Jacuzzi

The lid should be placed carefully behind the Jacuzzi. Please replace the lid after use. Do not sit, stand or lie on the lid of the Jacuzzi.

Please do not bring your outside shoes into the Jacuzzi room.

Please use the toilet and shower before entering the hot tub to ensure that all lotions, oils, makeup or skin creams are removed.

Please do not add any bubble bath etc to the water as this can upset the chemical balance of the water and can result in allergic reactions.

Please DO NOT eat, drink or smoke in the hot tub.

Please DO NOT immerse your head in the hot tub water. This increases the risk of infection and can heighten the dangers of drowning due to suction below the water line.

Please take care whilst entering and exiting the hot tub. The floor may become slippery.

If any allergic reaction occurs leave the hot tub and rinse off in the shower.

If any fault or damage occurs with the hot tub, please tell either Steph or Nick.

Please DO NOT turn the Jacuzzi off.

A maximum of 6 people are allowed in the Jacuzzi at any one time.

Please leave the Jacuzzi room as you found it.

IMPORTANT

You use the Jacuzzi at your own risk.

We cannot be held responsible for your safety whilst you are using the Jacuzzi.

You will be held responsible for any damage caused by you or a member of your party whilst using the Jacuzzi.

You will be asked to sign in the Jacuzzi book to say that you have read and understood this document.

The Jacuzzi is available for hire (1/2 hour) and the charge is £3.50 per person. The Jacuzzi room is kept locked for safety reasons. Please see Nick or Steph if you would like to use it.

**Please have fun and relaxing
time in the Jacuzzi!**
