

OAKS DRIVING CLUB MEMBERSHIP QUESTIONNAIRE

This questionnaire must be completed by anyone applying to join the Oaks Driving Club. It is intended to give some idea of your driving experience, and is required by our insurance company. Once the questionnaire has been looked at by the Committee you will either be granted full driving membership depending on driving experience and will be welcome to drive at any of our events, or you will be granted probationary membership after a short 10 mins assessment. This means that you are most welcome to drive at Oaks events, and once you have demonstrated your competence full membership will be granted.
