

# OAK LEAVES

Newsletter from the Oaks Driving Club

August 2019

## View from the Top

I hope you are all enjoying the summer and the events we have organised for you. The Evolution competition was a new format for the Oaks and gained good support with drivers coming into 'our' country. Kevin Jeffrey ran an excellent inside/out at Hooe and last weekend saw the Berwick Weekend which just seems to get bigger each year.

With the very hot weather forecast you may be interested in the article on page 11 on caring for your horse in exceptionally hot weather.

I do hope you will all come to our show on 18th August, Jan Curd works particularly hard to make this a success, we are one of the few clubs to run a show, it doesn't matter if you have a competition or exercise carriage

- there is a class for you! we also have clear round cones running throughout the day plus an in-hand and ridden ring - do encourage your non-driving friends to come along too. There are lots of trophies to be won with beautiful rosettes and sashes for Champion and Reserve Champion - it really is a day not to be missed.

Hope to see you all at Broad Farm on the 18th August.

*Liz Howe - CHAIRMAN*

*Fancy Dress winners - Nurses Freeman and Willis with Dr. Buttons*

**Next Event: Driving / Ridden / In-Hand Show - 18th August**

## Evolution Event, Sayerland Lane

I think the Oaks Evolution event on 16th June was a steep learning curve for all of us. I was very pleased with the entry of 19 with three withdrawals, making a total of 16 starters. Also very impressed with the way all the competitors handled doing the three phases one after the other - so much to remember!

It was so nice to see some new names amongst the competitors and I hope they will come back and join us again.

Results will be published in this newsletter but some people deserve a special mention:-

Jeni Longley led from the start in Single Pony driving her (fairly) new pony, Pops who looked fantastic and was a star. Well done Jeni.

Jason Fieldwick was (very unusually) seen driving his daughter's pony Milly, coming second in Single Pony. Later in the day daughter Rosie drove Milly round the cones course and was delighted to inform her father that she beat his time by 11 seconds!

Dick Carey did a very good P & P test with his very well turned out pony. Bella Freeman likewise did an excellent test with Buttons.

It was great to see Steve Bailey back in action with Cain who had been so ill a while ago but is looking fit and well now.

The Single Horse class was comprehensively won by Susannah Anderson driving her beautiful coloured horse, Hector, who made everyone do a double take because he is the spitting image of Pip Holgate's Texas, usually driven by Andrea Scott.

Another new face to the Oaks, Matt Kelly, was second in this class with his stallion. He won the P & P and the cones but was just slower than Susannah in the obstacles.

Abi Fowden-Heffer was very pleased with Flash as he is quite inexperienced, and Hollie Goldsmith drove Beau very well in all phases.

Only one in Young Pony and Helen Bridges driving little Billy put up a very good show, those tiny legs (Billy's) flashing along, making all the spectators smile.

The Evolution Qualifier class was won narrowly by the only junior of the day - Tilly Kelly. Her obstacles swung it for her and she was awarded the Best Junior rosette to go with her first place.

Sarah Wallis was only two points behind Tilly, and Karen Hellier, who was awarded the Chairman's Choice rosette for her driving and beautifully turned out pony, was third despite winning P & P and cones, only the obstacles letting her down.

Jason Fieldwick was deemed the Best Groom as he backstepped for Hollie Goldsmith.

Huge thanks as always must go to the judges, Hilary, Liz, Gina, Cheryl, Frances and Sheila, plus scorer Tom. The stewards worked hard all day and I would like to thank Gordon, Kevin, Jane, Sonya, Pru and Valerie. Jason Fieldwick toiled putting up the arena, cones course and obstacles before the event and taking everything down and towing it away afterwards, as well as working out where the cones were to be sited in that massive arena. Thank you Jason.

Finally, the ploughmans lunch was a triumph. Grateful thanks go to Jan, Margaret and Ron for all their hard work before and during the day.

*Moira Evans*

*Dick Carey driving Magic at Hooe*

*Sandra Pochin driving Nutmeg at Hooe*

## Oaks Gift Vouchers

Oaks gift vouchers may be exchanged for membership, competition entries or any merchandise we have for sale - see the list on the back page of this newsletter. They also make a lovely gift for birthdays, Christmas, Mothers/Fathers day etc.

## Inside / Out at Hooe

This year's event at Hooe had probably the flattest and best P&P arena in Sussex, we were very fortunate to be able to use the football pitch right in the centre of the field. This meant we could set up the obstacles as well as the cones course with room to spare, thus benefitting drivers a much longer time to plan their routes.

We had 14 entries and were delighted to welcome our judges Sheila Petitpierre (Paces) and Ian Collings (Precision), both judges were on the ball when there were a few mistakes during P&P and were quick to correct the drivers concerned. Best precision score came from Isobelle Eyres 13 and best paces score from Wendy Shorten 15.75. It was nice to see Jane Parsons competing after a three year lay off with her pony, Ben.

Only one double clear in the cones came from Jason Fieldwick who was having the time of his life driving his daughter's Shetland pony, Millie. Clare Cousens and Wendy Shorten produced respectable scores of 5 and 6.

The obstacles were built by Robert Pawson who came some distance to help with our event. Gates A - E and A - F gave the drivers plenty to think about. Best times: Ob 1 - Alison Reilly 39. Ob 2, 3 and 4 - Isobelle Eyres 37, 38, 36.

I must give all the drivers praise for being on time for all sections of the competition, it is so helpful to the judges and organisers and really makes the day go well, thank you everyone. The full results are printed on the following page. A very big thank you to Gordon McKenzie for scoring. Thank you to Kevin Jeffrey who ran the event and to everyone who helped make it possible. A special mention to Gina Jeffrey who worked tirelessly, particularly so as she and Kevin had moved house so recently.

Best Groom award: Stewart Parsons  
Chairman's Choice: Wendy Shorten

*Claire Cousens driving Beau*

*Christina Fowden driving Flash*

*Bella Freeman driving Buttons*

*Wendy Shorten driving Twinkle*

*Jason Fieldwick driving Millie*

## Berwick Weekend

Hot from the success of the Hooe event, we launched ourselves into the Berwick Weekend. Friday night it poured with rain but cleared come dawn to leave the going in the field just about perfect for driving. Saturday is always a members training day and this was fully subscribed with twelve drivers. Sara Howe did the dressage training and was much appreciated by members - terrific, amazing and other complimentary words filled the air. Tina Ray did the obstacles and certainly improved the drivers skills and speeds. Moira Evans and Liz Howe manned the cones course where drivers could come and go as they pleased driving timed practice rounds. Jan, Margaret and Ron were in the catering van keeping everyone fed and watered. The day passed too quickly and soon it was time to set up the marathon course for the Mini ODE the following day.

Sunday morning started with dressage - incorporating fancy dress, this years theme being the NHS. Of the eighteen competitors, only two opted for fancy dress this year and Hilary Hill (judging dressage) was hard pushed to separate them, the eventual winner by half a point being nurses Freeman and Willis with Dr Buttons. Moira Evans and Valerie has us all in stitches as Valerie wore a hospital gown with a big plastic bottom exposed - it could only happen at the Oaks - and as for the siren!

The Mini marathon consisted of three obstacles and three groups of cones built by Jason and Liz. This was enjoyed by everyone, it was nice to welcome our new junior member Lily Ann Milton who drove Donna Simmons' pony very confidently to win the beginners/novice class. Helen Bridges suffered a harness malfunction in an obstacle which left her unable to continue but Helen was not downhearted as her young pony Billy had performed brilliantly all weekend and there will be another day for him. Abi and Christina Fowdens Flash enjoyed the weekend and has come on considerably to put in some good times.

The presentation of awards was held at the marquee. Liz thanked John Hecks for allowing us free rein on the farm, he always waives any fee which enables us to lower entry fees, thus benefitting competitors. The club gave John a cream tea and some Pimms in appreciation. John generously presented bottles of bubbles to the

winners of each class. Gordon MacKenzie was presented with a box of chocolates, he's a great supporter of the club and quietly produces scoresheets with amazing efficiency. Hilary also took home some bubbles as a thank you for judging.

The club now has its own new barbecue - Jason and Ron took charge of the cooking and it proved very successful - particularly easy to clean afterwards reported Jan Curd! and what a wonderful bbq it was, Jan pulled out all the stops so everyone left the event sated and happy.

Thank you to everyone who helped in every capacity - we couldn't run events without the generous time and support of our stewards, cooks and helpers. Particular thanks to those who stayed behind to clear up afterwards. Roll on 'Berwick 2020'.

Best Junior: Lily Ann Milton

Best Groom: Hughie Reilly

*Does my bottom look big in this?*

### Fire Extinguishers

Please make sure you carry a fire extinguisher in your horsebox / trailer. They need to be checked each year

### Show Trophies

If you won a trophy at last years show at Broad Farm, please return it to Jan Curd either in person, in the post or give it to any member of the committee. In accepting a trophy you are obliged to return it before 18th August 2019. Please make sure trophies re polished and (hopefully) engraved.

*Donna Simmons training with Tina Ray*

*Alison Reilly driving Dexter*

*Lily-Ann Milton*

*Jane Parsons driving Ben*

*Christine Buckland and Shadow*

*Steve Bailey driving Cain*

*Danielle Reekie driving Atom*

*Moira Evans and 'bloodstained' Rebel*

## Berwick Mailbox

Hi Liz,

Thank you Liz and your team for all your hard work to give us all such a fantastic weekend. A great day yesterday with lots of valuable training from Sara and Tina followed by a lovely day today with a fun happy atmosphere. Berwick is always our favourite event of the year and is in such a beautiful setting . How lucky are we ( the Oaks) to have such a wonderful venue to go to and have so much freedom when we are there thanks to yours and John enormous generosity. It was lovely to see John today, and I just have realised that we have known John for 38 years!!

Once again Liz thank you so much.

Kind regards,  
*Jeni Longley*

Hello Liz.

Valerie & I just wanted to thank you very much for organising such a friendly & fun event today. We thoroughly enjoyed ourselves.

I would put a thank you on facebook but yet again we have no broadband or phone line. The joys of living in the country. Someone is coming to have a look at it on Tuesday.

I hope you are able to have a quiet evening with your feet up & a glass of something to relax.

See you soon & thank you again.

*Moira Evans*

*Members and friends enjoying the Berwick bbq.*

### Exam questions & Answers

Q: What was Sir Walter Raleigh famous for?

A: He's a figure from history who invented the cigarette and started a craze for bicycles.

Q: Explain the word migration

A: Migration is a bad headache

Q: Christians only have one spouse, what is this called?

A: Monotony

Q: What do Christians celebrate at Easter time?

A: Chocolate

Q: Name Labour's first cabinet minister

A: Chippendale

Q: Name Britain's highest award for bravery

A: Probably Nelson's Column

Q: What is highest peak of the Alps?

A: Blanc Mange

Q: Explain the disposal of various farming types in Britain

A: The cows and pigs are distributed in different fields so they don't eat each other

### BACS Payments

Please could anyone making a BACS payment make sure to state what it is they are paying for. There is a little box that you can type which event or membership payment. Tom needs to know exactly what the money is for.  
Account No: 31440500 Sort Code: 40-23-01

## Caring for your horse in hot weather

In order to keep your horse, pony or donkey happy and healthy during very hot weather, here is a list of things to consider:

**Access to water** - make sure your horse has constant access to fresh, clean water. This may mean adding an extra bucket to their field or stable, or providing an additional top-up during the day if they don't have an automatic water trough. If you do have an automatic water trough, make sure it is checked twice daily to ensure it is working and the water is clean.

**Provision of shade/shelter** - horses should have access to a shelter when turned out regardless of the weather or time of year. Horses tend to use their shelters more regularly during warm weather to seek respite from the sun so it's important to make sure they have either a natural or man-made shady area available.

**Ventilation** - consider increasing the air-flow for any stabled horse. Try using a large fan, making sure it is placed in a safe location where no horse can physically touch it or its power supply and that all horses in the stable area are given time to become accustomed to both the noise and the effect of the fan, as it might be scary for them at first.

**Sunburn** - make sure any pink areas on a horse, particularly around the head and heel areas, are protected from the sun. Try using sun cream (horse specific cream is available or children's sunblock - but test a small area first to make sure your horse is not allergic) and a full face mask for protection and ensure there is a shady area in the field for them to rest. If your horse does become sunburnt, he or she needs to get out of the sun as soon as possible and have the area cooled with water. Specialist creams are available to help soothe and rehydrate the skin - speak to your vet about what products are available. If the sunburnt area is crusty or weeping fluid, consult your vet immediately.

**Flies and midges** - flies and midges are an ongoing problem for horses, particularly during hot

weather. Make sure you have fully read the instructions on any product you are using to repel flies and are applying it at the correct dosage. Fly rugs and masks can be very effective but in addition you also need to ensure that stables are kept clean and fields poo-picked to make sure these areas are less appealing to flies.

**Work load and cool down** - avoid exercising your horse in the heat of the day and keep sessions short. The government have previously issued guidelines for dog owners to avoid walking their dogs during the hours between 10am and 4pm as these are the hottest times of the day. Bear this in mind when deciding when to ride but it's also wise to use common sense. In periods of really intense heat, even the temperature during the evening has been hot so if you do need to ride try and pick the coolest time of day to do so. After riding make sure your horse is properly cooled down and ideally hosed off or sponged down to remove sweat and aid the cooling process. If your horse is not used to being hosed down, then start off slowly and stop and use a sponge if your horse becomes agitated or frightened to avoid either you or your horse getting injured.

**Travel** - if you need to travel your horse, try to travel early in the morning when it is cool and provide as much ventilation as possible by opening all vents and windows of the trailer or lorry. Make sure your horse is well rested and hydrated before any journey, and provide water on arrival. Keep journey times short and only travel if it is really necessary.

Copy for the October newsletter should be sent to Liz Howe by 25th Sept 2019
