TATTOO..... SEX D/B RIDGE.....
COLOUR..... MASK..... TAIL.....

1. This puppy is primarily sold as a pet puppy, to be kept as a pet/companion, & will be properly fed/exercised/trained & cared for at all times, & immediate veterinary advice will be sought when needed.
2. In the event the buyer can no longer keep the puppy the buyer agrees to consult the breeder concerning its future, & the breeder agrees to assist in the re-homing of the dog, and/or to take the dog back into her care. This is irrespective of whether any of the purchase price is refunded by the breeder.
3. THE BREEDER HAS TAKEN ALL REASONABLE CARE & PRECAUTIONS TO ENSURE THAT THE PUPPY IS HEALTHY, SOUND & SUITABLE TO LIVE AS A FAMILY PET, BUT CANNOT GUARANTEE THAT THE PUPPY IS FREE FROM INHERITED DISEASES OR DEFECTS. (The buyer has been made aware of the conditions of hip-displacia and dermoid sinus, for which the puppy has been checked regularly from birth, has been supplied with copies of any relevant hip scores and informed of the significance of these).
4. The Kennel Club registration has been endorsed with "PROGENY NOT ELIGIBLE FOR REGISTRATION." This is to ensure that only proven sound animals are used for breeding. If you wish to breed from your dog, then it would need to have a good hip score and temperament; a bitch would need to be more than 24 months old with a good hip score, and be a good specimen of the breed with a nice temperament. THE ENDORSEMENT WILL NOT BE LIFTED IF THESE CONDITIONS ARE NOT MET & ALSO NOT IF MATING HAS ALREADY TAKEN PLACE AND PUPPIES RESULT PRIOR TO CONSULTATION WITH THE BREEDER. THIS INCLUDES "ACCIDENTAL" MATINGS.
5. IF YOU HAVE BOUGHT A "PET" PUPPY, IE, ONE WITH A FAULT THEN OF COURSE IT SHOULD NEVER BE BRED FROM.

ADDENDUM FROM MAY 2005:

**WE DO NOT SELL OUR PUPPIES TO BE BRED FROM
AND IN THE PRESENT CLIMATE OF OVER PRODUCTION OF
PUPPIES WE WILL NOT PROMISE TO LIFT ENDORSEMENTS. THERE
ARE TOO MANY POINTS TO CONSIDER WHEN BREEDING A LITTER
SO IF YOU WISH TO DISCUSS THIS THEN I WILL BE VERY HAPPY
TO.**
